Dear Ms. Eickmeier:

You filed an expungement appeal and your request for expungement was denied. In the final administrative decision, you were informed that you could file a request for administrative review with the *circuit court* in your county if you were dissatisfied with the outcome.

You have sent the Administrative Hearings Unit a request for administrative review. The request for administrative review cannot be filed with DCFS. You must file your request with the circuit court in your county, not with DCFS, and it must be filed within 35 days of the date the letter was served on you. A decision shall be deemed to have been served when a copy of the decision is deposited in the United States mail. Therefore, your request cannot be accepted.

Sincerely,

Administrative Hearings Unit
